Indiana State Department of Health

FROM: Loren Robertson, M.S., R.E.H.S
Assistant Commissioner
Public Health and Preparedness Commission

SUBJECT: Mobile Railroad Camps Rule 410 IAC 6-14 – Final Adoption

The Indiana State Department of Health (ISDH) Commission of Public Health and Preparedness requests the Executive Board, at the Board's September 10, 2008 meeting, adopt the final rule for Mobile Railroad Camps, in order to comply with Senate Enrolled Act 371 from 2007.

In compliance with Indiana Code 16-19-3-4.4, this rule seeks to protect the health, safety, and welfare of individuals who live in mobile railroad camps. The rule includes provisions relating to sanitary conditions, safety and protection from fire hazards, operations of the camp, sewage disposal, and other matters appropriate for the security of the life and health of the occupants of these camps.
